NOTICE OF AVAILABILITY OF DRAFT EIR

Project Title: Student Housing West

Project Location: Two sites on the UC Santa Cruz main campus:

- 1) A 13-acre site west of Heller Drive ("Heller site") that currently is developed with the 200-unit Family Student Housing complex and child care center;
- 2) A 15-acre site northeast of the intersection of Hagar Drive and Coolidge Drive ("Hagar site")

Project Description: The proposed project would construct housing for approximately 3,000 students at two sites on the UC Santa Cruz main campus via a public-private partnership (P3) delivery method. The project would demolish the existing 200-unit family student housing complex and child care west of Heller Drive and redevelop the 13-acre site with approximately 2,852 student beds in 7 apartment buildings, a total of 972,000 sf. The project would develop approximately 140 units of housing for student families, and a child care center, on a 15-acre site northeast of the intersection of Glenn Coolidge Drive and Hagar Drive (Hagar site). The development of student housing on the Hagar site would require an amendment of the 2005 LRDP to change the land use designation from Campus Resource Land to Colleges and Student Housing.
